

Summer School 2010, workshop 26 August 2010

“Regional Integration in the Era of Globalisation”

○Purpose of the workshop:

In this workshop, we will study and discuss the EU’s policies in various spheres (e.g. economic policy, political aspect, cultural policies...etc...) in relation to the globalisation, and its impact on the internal situation. The First half of the workshop will be devoted to the short presentation by Kudo and preparation for group discussion (or debate), and in the second half of the workshop, we will do group discussion (or debate)

○The tasks of the participants:

In advance: Pick up any one of the EU policies or topics which you are interested in, and find out good point and bad point of that policy by using journals, newspapers, literature, internet or any other tools.

○The question to be raised:

- Evaluation of the EU policies from inside or outside the EU.
